WELCOME!

Hi Everyone! We're so excited to share everything Phi Sigma Sigma has been up to this Fall semester in 2025! It's been such a fun and meaningful year – from welcoming our amazing new members during recruitment, electing our new executive board, and hosting amazing events. We've been building stronger bonds, giving back to our community, and supporting each other through it all. We can't wait to see what 2026 brings!

THON™ EFFORTS

We are so excited for THON™ 2026! This semester has been filled with tons of fundraising opportunities including 46 in 46, Pie in the Face, PowderPuff, Back to School Barbecue, Laser Tag, and more! We are so grateful for our partnership with Alpha Gamma Rho and are excited to see what else is to come.

Congratulations to our three dancers- Danielle Hughes, Lily McCormick, and Jackie Lutz!

SISTERHOOD

Throughout this year, Phi Sigma Sigma has worked tirelessly to uphold the strength of sisterhood. Whether it be the collaboration of a trivia night or the grit of a pilates session, our chapter is always building on our means of bonding. Recently, we have shifted emphasis on the power of health and wellness. Uprooting a new Instagram account featuring positive matras, motivation to get active and above all else maintaining goodness in your soul.

FOUNDER'S DAY 5K!

This semester, our girls participated in a Founders Day 5K benefiting the State College School District! Headed by Philanthropy Chairman, Kaelyn Charnitsky, the event brought the chapter together for a great cause and an even better time. Sisters showed up bright and early to run, walk, and cheer each other on throughout the course.

E-COUNCIL!

We are sad to say goodbye to our 2025 e-council but we cannot wait to welcome our new members! Congratulations to the following for finishing their term.

- Antonia Aveta- Sunshine Chairman*

FORMAL

Sorority formals are one of the most anticipated traditions of the year, offering a special opportunity for sisters to come together beyond the everyday rhythm of campus life. Between getting ready together, celebrating milestones, and creating shared memories on the dance floor, formals help strengthen bonds and deepen the sense of connection within the chapter. It's a night filled with laughter, friendship, and genuine sisterhood, reminding us why being part of this organization is so meaningful.

LOOKING FORWARD!

We are excited to welcome our new pledge class in February of 2026 as well as so many other incredible events! Our sisterhood is already buzzing with excitement as we prepare to open our arms and hearts to the amazing women who will soon join our chapter. Alongside this special moment, we have a calendar full of incredible events, celebrations, and sisterhood traditions that we can't wait to share. It's shaping up to be a truly unforgettable year, and we're so grateful to experience it together!
